To whom it may concern:

I am writing this letter of recommendation for Little Angel's School House in Chatham. When my wife and I were looking for child care for our first born, we visited four different facilities in the surrounding area. Selecting Little Angels School House was an easy decision. The other facilities were either too large / too corporate or seemed to be disorganized and unkempt. During our tour of Little Angels, the atmosphere felt warm and inviting. The infant room was clean and had plenty of room for the children to play.

Rima and the other teachers provide care to our child in a setting that is personal and based on our actual observations, caring. When we first started at Little Angels, it was a tough transition for our little guy; however now, we sometimes have trouble getting him to leave. We find him playing with the toys, reading a book, or coloring. He is learning so much from Rima and the other teachers, which makes us glad that we selected Little Angels.

Sincerely,
